All races will go ahead, rain or shine, and will only be cancelled if weather is severe. Should a race be cancelled due to the weather then we endeavour to leave a message on the GIAAC helpline-**12025**.

Please note that starting times do vary due to the time of year and different age groups.

U13+ takes on a whole new meaning in 2012!!

For the under 13's this remains a competitive race and their times and placing will continue to be recorded and count towards the various X/C series on offer for them as an under 13's only competition.

However, where a race is denoted as **U13+** it is open, either as training run for the older juniors or as a **fun run** for parents starting at either the same time or shortly after the under 13 children. The idea here is that it is a run for novice runners who might be happy to jog round the course for a bit of exercise, timed or otherwise.

If you are unsure about anything, please contact Colts Head Coach **Nick Marley** on **238232** or Junior Endurance Head Coach **Alan Rowe** on **07781 109243**
